Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 4-5- 1951.

To

The Chief Engineer,
Public Works Department,
Bombay-1.

Subject: Additional Staff.

Reference: Government Letter, P.W.D.No.521/48-II-E(II) dated the 29th March 1951.

2. The proposal for the additional staff of one overseer and one Senior Clerk for this office was submitted as the work in this office was increased due to transfer of the two Koyna Irrigation Project Divisions at Bijapur and Miraj, after the proposals for retrenchment were submitted to Government and also prior to the receipt of Government Circular F.D.No.8532/33, dated the 27th February 1951. But since the two Koyna Irrigation Project Divisions are proposed to be closed from 30th June 1951 as per Government letter, P.W.D.No.2100/48(7)-E(II) dated the 4th April 1951, the question of additional establishment for this office has now been dropped.

3. .....

3. The additional overseer attached to this office from 1-11-1950 will however be counted against one of the vacant posts of overseers in this Circle by transferring the post from the Division to this office temporarily.

D.O. No.G-108.

Karnatak Irrigation Circle,
Dharwar, 4th June 1951.

Subject:- Closure of Koyna I.P.DHs.
Formation of Irrigation Projects
Division (Central).

Dear Kale,

Your D.O.letter No.1442 of 26-5-1951.

You should go to Poona for 2 days say on the 16th and 17th of June 1951 and fix up accommodation for your office and one Sub-Division in the first instance prefereably in the Central Offices Buildings as the work is to be done in close coordination with the Deccan Irrigation Circle office and report. You should please write to the Accommodation Committee at. once and in advance.

According to the Tour Programme the Chief Engineer will be touring in Gujarath upto 18th inst. You may see him in Bombay on the 18th or 19th.

Yours sincerely,

Sd/-

Urgent.

No.C1/2098.

Koyna Irrigation Project Dn. No.2,
of 1951. Miraj: 13th June, 1951.

To

The Superintanding Engineer,
Karnatak Irrigation Circle,
Dharwar.

Subject:- Closure of Koyna Irrigation Project Division No.1 and 2

Reference: Your No.G-108/1 of 30th June 1951.

In accordance with the instructions contained in your No. referred to above, office furniture, Mathematical Instruments, Tools and Plant and all other records of the Koyna Irrigation Project Division No.1 is to be transferred to the Irrigation Projects Division (Central), Poona, which will be opened by me on 1-7-1951 (please vide Government Letter No.P.W.D. No.LTB/ 1151 E(V) dated 8th June, 1951

2. As the two Koyna Irrigation Project Divisions are to be closed on 30-6-1951 and the Irrigation Projects - Division (Central) Poona is to open at Poona on 1-7-1951, the following proposals are submitted to facilitate the working etc.

(i) The two K.I.P. Divisions will be closed for all practical purposes on 23-6-1951 and the staff will be relieved on 23-6-1951 A.N. and they will be asked to report for duty in the Irrigation Projects Division (Central) at Poona on 1-7-1951. The detailed postings of the staff to the Irrigation projects Division (Central) Poona and to the 2 sub-divisions under it as well as the Soil Survey sub-division, Athani may please be issued early as to reach this office before 20th instant.

(ii) .....

(ii) The Executive Engineer, Koyna Irrigation Project Division No.1 may please be requested to arrange for the transportation of all office furniture, Tools and Plant etc. to Poona before 25th June 1951

(iii) The Executive Engineer, Ghataprabha Left Bank Canal Division, and Dharwar Irrigation Division, Dharwar may please be asked to take over charge of the articles allotted to them on 24-6-1951.

(iv) The account branch of this Division will, however, work here upto 30th June 1951 for completion of account work and will be relieved on 30th June 1951 A.N. These persons will report for duty in Irrigation Project Division (Central) Poona on 7th July 1951.

(v) In respect of the persons repatriated to other Circles, the Superintending Engineers concerned may please be expedited to communicate the detailed postings of the subordinates to this office before 22nd so as to enable this office to relieve them on 23rd A.N.

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Camp via Dharwar, 30th May 1951.

To

The Executive Engineer,
Koyna Irrigation Project Dn. No.1, Bijapur.
Koyna Irrigation Project Divn. No.2, Miraj.

Subject: Closure of Koyna Irrigation Project Divisions No.1 and 2

Reference: Government Resolution, P.W.D.No.2100/48(7) dated the 9th May 1951

2. Consequent on the closure of the Koyna Irrigation Project Divion No.1 and No.2 ordered in Government Resolution under reference, all the technical records, maps etc. pertaining to the Koyna Project should be transferred to the Irrigation Project Division (South) Dharwar along with the Koyna Soil Survey Sub-Division. Records pertaining to the staff and the other miscellaneous matters including accounts in respect of both the Divisions will be maintained by the Executive Engineer, Irrigation Project Division (Central) under revival which originally formed the nucleus of the two Koyna Irrigation Project Divisions and which also will absorb most of the staff now. Office furniture, Mathematical & Survey instruments, Tools and Plant, of the Koyna Irrigation Project Division No.1 will be transferred to Irrigation Projects Division (C). The Office furniture and Tools and Plant including Mathematical & Surveying instruments of the Koyna Irrigation Project Division No.2 will be distributed among Dharwar Irrigation Division and Ghataprabha Left Bank Canal Division, which are short of these articles.

3. Lists of office furniture, Tools and Plant etc. together with proposals of their transfer or disposal should please be submitted within a week.

Executive Engineer,
Koyna Irrign. Project Dn. No.1,
Bijapur.

No. G-47

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 24 April 1951.

To

The Chief Engineer to the Government
of Bombay,
Public Works Department,
Bombay-1.

Subject: Continuance of the Temporary Establishment in the Divisions in the Karnatak Irrigation Circle-- Closing of the Koyna Irrigation Project Divisions Nos. 1 and 2.

Reference: Government letter No.2100/48(7)-E-(II) dated the 4th April 1951.

Proposals called for in para 4 of the Government letter are being formulated and will be submitted shortly.

2. In the meantime, I may, however, bring to your notice in this connection that while the preliminary survey work for the Koyna Irrigation Project is being carried out according to the programme, inspections have suggested the possibility of more economic alternatives to those already surveyed. Such alternatives cannot be made out in reasonably concrete form by merely an eye survey or even by isolated short survey. It is essential to have a complete idea of the lie of the whole area to locate the right spots for pumps and rising mains and even for canal alignments. This can be had only if we prepare a detailed contour plan of the area.

3. It is needless to mention that contour surveys take a very considerable time and in the estimate submitted under this office No. BJ/Koyna dated 18-4-1951, a period of two years is envisaged for completing this work. That is to say, a proper study of the economic alternatives regarding pumping sites, rising mains and canal alignments can really be started only after two years after commencing the contour surveys. A complete soil survey and classification will be needed for fixing upon the crop pattern and consequently the canal discharge and section. In view of the experience gained in the farms of the Sugar factories on the ~~Ganges~~ of the Krishna River we may have to change the conventional idea of allowing the cane in medium soil only and allow it in deep soil from the river edge up the valley. This will mean appreciable reduction of lift for large quantities of water.

4. It will thus be evident that the soil survey and contour plan are the two essential initial requirements for proceeding with the consideration of the economic alternatives and subsequent detailed designs. These latter may easily take a year or two.

5. I, therefore, suggest that although the two Koyna Irrigation Projects Divisions may be closed on the 30th of June 1951, the Koyna Soil Survey Sub-Division and one more Sub-Division for contouring work should be continued for two years, so that by then sufficient data will be collected for considering more suitable alternatives. These two Sub-Divisions may be conveniently given under the control of the Executive Engineer, Irrigation Projects Division(South) whose jurisdiction already extends over Belgaum and Bijapur Districts. The extra cost on account of these two survey Sub-Divisions will be quite negligible as compared to the work and the advantages that will be secured by ~~its~~ Their continuance.

6.....

24

6. I, therefore, request that formal approval of Government may kindly be obtained to the above proposal and communicated early so that it may be incorporated while submitting the proposals referred to in para 1 above.

Superintending Engineer, K.I.C.

Territorial changes -
Reorganisation of the
Karnatak Irrigation Circle

Government of Bombay
Public Works Department
Government Resolution No.TCS 1351
Bombay Castle (Bombay No.1),
10th July 1951

Read letter No.G.47, dated the 24th April 1951, from the Superintending Engineer, Karnatak Irrigation Circle.

RESOLUTION:- In partial modification of the orders issued in Government Resolution No.2100/48(7), dated the 9th May 1951, Government is pleased to direct that one of the Sub-divisions proposed to be abolished therein should be retained for a further period ending the 29th February 1952 with the staff detailed below:-

1 Deputy Engineer (Rs.220-15-400-E.B.-20-500-E.B.25/650).
3 Overseers (Rs.80-5-100-8-140-E.B..-10-220-E.B.-10-270).
3 Surveyors (Rs.80-5-100-8-140-E.B.-10-220-E.B.-10-270).
3 Sub-Overseers (Rs.70-3-85-E.B.-4-105-E.B.-5-125)
1 Tracer (Rs.46-3-85-E.B.-4-105).
1.Senior Clerk (Rs.92-8-140).
2 Peons (Rs.30-1/2-35).

2. The Superintending Engineer, Karnatak Irrigation Circle, should be asked to report the name and headquarters of the Sub-division to Government under intimation to the Accountat General, Bombay, This Sub-Division should be attached to the Irrigation Project Division South.

3. The expenditure should be debited to the budget head "50-Civil Works -State -Establishment - ~~Grid~~ Ordinary" and should be met from the provision made thereunder in the current year's budget.

By order of the Governor of Bombay

No. G-47

Office of the Superintending Engineer
Karnatak Irrigation Circle,
Dharwar, 1951.

To

The Chief Engineer to the
Government of Bombay,
Public Works Department,
Bombay-1.

Subject:- Continuance of temporary Establishment in Karnatak Irrigation Circle.

Reference: Government Resolution, P.W.D.No.2100/48(7) dated 9-5-1951.

The following minor changes in the number of sanctioned posts in column No.1 of the statement accompanying the Government Resolution, are necessary:

Description of the post.	No.of sanctioned posts as per G.R., P.W.D.No. 2100/48-7 dt.9-5-51.	Correct No.arrived at finally after re-Grouping & territorial changes.	Remarks.
1	2	3	4
Dharwar Irrigation Dn. Divisional office.			
Overseers	6/	4	i) 3 posts of overseers have been sanctioned vide G.R. P.W.D.No.444/48 dated 24th March 1951. ii) ~~The~~ One post of overseer was sanctioned in connection with the river and rain gauge stations, transferred from Irr.Proj.Dn.(South) vide G.L.P.W.D.No.2499/48-7-E, dated 7-11-1950. iii) The two posts sanctioned for the Divl.office in connection with Kalghatgi & Hangal Sub-Divisions prior to the opening of the Dharwar Irrign.Division vide G.L.P.W.D.No:8316/36-E(III) dated 9-2-1950 and G.R.P.W.D.No.3917/36,dt. 1-11-1939 are considered as absorbed in the above three posts sanctioned for the Divisional office. Hence no more posts of overseers in addition to the above four are considered necessary against six, sanctioned.

Sirsi.....

1	2	3	4
Sirsi Irrign.Sub-Division.			
	8	9	Sanction for one post of overseer transferred from Kanara Division to Sirsi Sub-Division is necessary.
Hangal Irri.Sub-Dn.			
Overseers	3	4	Due to several territorial changes 4 sectional charges were formed in the Hangal Sub-Dn.and the post of one overseer sanctioned in the Dharwa Divisional office for the Hangal Sub-Division was transferred to the Hangal Sub-Division before its transfer from the Dharwar Division, to enable this Division and the existing strength of overseers is actually 4. Hence 4 posts are required for Hangal Sub-Dn.against 3. The Dharma canal was then maintained by the Havasbhavi Sub-Division which is now looked after by the Hangal Sub-Dn.
Khalasis	3	4	As stated above, there are actually 4 sections in the Hangal Sub-Dn.at present and each sectional officer has got one Khalasi. The number of sanctioned posts should therefore be 4 as against 3 sanctioned.
Bungalow chowkidars.	4	3	There are only 3 bungalows in the Hangal Sub-Division now and therefore only 3 bungalow chowkidars are necessary.
Gauge Karkuns.	nil	1	There is only one 1st class Irrigation work viz. Dharma Canal and one post of a gauge karkun is necessary against 8 sanctioned
Gauge Karkuns	8	To be corrected to 7 Mustering karkuns.	

Necessary corrections may kindly be issued in the matter at an early date. No additional financial commitment is involved in these minor changes.

Superintending Engineer, K.I.C.

No. G-47

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 30th Aug.1951.

To

The Chief Engineer to Government,
Public Works Department,
Bombay-1.

Subject:- Continuance of the Temporary Establishment in the Karnatak Irrigation Circle beyond 28th February 1951.

Reference: Government Resolution P.W.D.No.2100/48-(7) dated 9-5-1951.

The number of six peons sanctioned for the Divisional office of the defunct Kayna Irrigation Project Division No.1, Bijapur and newly formed Irrigation Project Division(Central) Poona, includes one Naik in the grade of 35-1-45 and five peons. The post of the Naik was included in the posts of peons in the proposals sent to Government under this office No.G-47 dated 13-2-1951 inadvertantly. Necessary correction may please be issued at an early date.

Very Early please.

No. C-108

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 22 Septr.1951.

To

The Chief Engineer to the
Government of Bombay,
Public Works Department,
Bombay-1.

Subject:- Shifting of headquarters of Koyna Contour Survey Sub-Division from Athani to Miraj.

Reference: Government letter, P.W.D.No.TCS-1351 dated the 10th July 1951.

2. The headquarters of the Koyna Contour Survey Sub-Division, sanctioned as per Government resolution quoted above, was fixed at Athani. But since the date of opening of that Sub-Division on 22-7-1951, it has not been possible for the Deputy Engineer to secure accommodation for the sub-Divisional office at Athani, due to shortage of suitable buildings there. It has, therefore, been proposed to shift the headquarters of the sub-Division from Athani to Miraj, in the jurisdiction of the same Sub-Division.

3. It is ascertained from the Superintending Engineer, Southern Circle, Belgaum that there are two Government buildings at Miraj for which there is no demand at present, and one can be allotted for accommodating the office of the Koyna Contour Survey Sub-Division at Miraj, subject to the approval by the Committee for the Merged State Areas in the South Satara District.

4. Since no suitable building is available at Athani even on hire and since Miraj, where a Government building is available is equally suitable for locating the Sub-Divisional office, I request that Government may please be moved to accord sanction to change the headquarters of the Koyna Contour Survey Sub-Division from Athani to Miraj. The full staff of the sub-Division has not yet assembled at Athani.

Superintending Engineer, K.I.C.

2. Additional funds having since been sanctioned by Government, it is necessary to commence contouring work in Koyna Soil Survey Sub-Division, Athani immediately with a view to speed up the progress and utilize the allotment well in time. I am therefore permitting the Executive Engineer, Irrigation Project Division (South) to transfer the Headquarters of the Sub-Division from Athani to Miraj, as early as possible, in anticipation of Government sanction which may kindly be approved.
